Subject: RE: Bulk tire crumb samples and facility tour & EPA & CDC participants

Hey all,

Here is my flight itinerary for the crumb tire site visit on Tuesday, February 9th:

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

I rented a 4-door car for the site visit. I can transport up to 3 other people if you fly into/out of [REDACTED] I could possibly pick up/drop off others at [REDACTED] airport if [REDACTED] traffic isn't too bad... Please let me know if those flying into [REDACTED] need extra ground transportation.

Also, I'll be driving my personal car to the Cal OEHHA SAP public meeting on Monday, February 8th, so I could pick up 3 to 4 people from SMF airport if you will be flying into Sacramento that morning. But it looks like most people are flying in the night before. Please let me know if anyone needs extra ground transportation for Monday's public meeting.

Here is my personal cell number: **Ex. 6 Personal Privacy (PP)**

I look forward to meeting all of you next week.

Sincerely,

Marcus Aguilar

Subject: RE: Bulk tire crumb samples and facility tour

Hi all,

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Apologies, but it does appear to be the only reasonable meeting place in the area.

Perhaps we could aim to meet there at 9:30 for a brief round of introductions, prior to going to the site?

I don't think that those flying down from Sacramento can hope to get there before 9:30, but it seems like it would be good for everyone to have a chance to briefly meet before we walk into the first tour.

Does this sound ok?
